

INTRODUCTION TO THE “SUPPORTERS CIRCLE”

Because every little SQUARE PARK needs a friendly CIRCLE around it.

Discussions with AVX about the better procedures for use of its system for a SAFE park-going and park-user experience pointed to equipping each user aged 18 or above with an electronic card of his/her own. Park Trustees were steered away from earlier plans to request donations on a per family basis and issue one card per household. Accordingly, the DONATION PER HOUSEHOLD was reduced by 75% while a cost-pass through of the card's retail price amount PER INDIVIDUAL AGED 18 or over in the Household was implemented. Cards should NOT be passed around casually but safe-guarded. Children under age 18 using the park should be ACCOMPANIED by a Household Member aged 18 or over who has a card. LOST or STOLEN CARDS must be reported ASAP to Ventnor Memory Park and AVX, so that they can be de-activated. Loss of ONE family member's card will not impact the ability of other family members to have access to the Park on their own card. Replacement of cards will be charged at a higher cost than the original because AVX's price to VMP will be higher. The GOAL is: PLEASE be careful with FIRST card.

For “granular” (detailed) data that helps the Park Trustees sponsor activities appropriate for children, teens, adults and seniors, the INFORMATION sought on the Form should be submitted with your donation. Funds raised will be devoted to the Park's Mission to MAINTAIN this Park as Open Green Space and support from the public is IMPORTANT and your donation is tax deductible.

The BACK SIDE of the SUPPORTERS CIRCLE FORM is both a

- POLL to find out each Supporter's interests and a
- LIST of Events that the Park Trustees currently wish to pursue but for which VOLUNTEERS are sought to step forward to organize, or to assist an organizer.

We hope that every household in the vicinity of the Park becomes Supporters!!!

And that all of Absecon Island feels welcome to schedule “small outdoor space” events inside the cozy setting of the new pocket park.

Because sponsoring and hosting CHILDREN'S EVENTS is of special interest to the Park's Trustees, please list by GENDER and AGE the children in your Household. It will be of help in figuring out the demographics of the area we seek to serve with future summer camping activities and events centered on specific holidays e.g., a decorated Tykes on Trikes rally for July 4th, a Secret Santa "shop" for children to buy gifts at modest prices during "Winter Park Aglow" when the park will LIGHT UP with decorations after Thanksgiving until New Year's

GENDER+AGE but NO NAMES NECESSARY: ATTACH on a SEPARATE BLANK SHEET and STAPLE TO THIS FORM.

THIS PARK WAS ACQUIRED AND BUILT FOR YOUR ENJOYMENT!!!

We want to hear back from YOU! Circle any of the activities below that you'd like to see offered:

- More "Plays in the Park" like SJP's performances on June 26-27
- Evening of Opera and "Best Arias"
- DJs and maybe a line dancing instructor with Oldies from "The Continental" up to Uptown Funk—possibly a BOOGIE NIGHTS THURSDAY offering when many weekenders arrive early to avoid congested ACE and GSP on Fridays. (DJ's might be easier to schedule, especially in high season)
- Summer camps for children. A GROM camp is being hosted starting on Tuesdays in July; a nearby Mom and School Teacher is interested in offering an arts and crafts camp. Specify what kind of camp your child or grandchild might like:

- Activities for Teens and specify what kind:
 - Visiting "petting zoo" or presentations from Marine Mammal Stranding Center.
 - Small kids Movies in the Park (rated G)
 - Teen Movie Nites (PG)
 - Traveling small scale carnival rides
 - Community Gardening – we've heard from a volunteer interested in this activity YES!!!
 - Book Discussion Clubs or Knitting Circles
 - BOYS JUST WANNA HAVE FUN GAME NIGHTS ... Cornhole Competition. (Can't let Margate have ALL THE FUN with that game!!!)

As far as forward planning, a botanical garden which puts on a holiday lights spectacular called Winter Garden Aglow is inspiration for the pocket park planning to put on a WINTER PARK AGLOW. It's going to need VOLUNTEERS and it's a great way to meet old friends and new, sharing an activity and anticipating the happy smiles it'll inspire!!!! A Halloween hay bale maze with pumpkins and treats for costumed kids is also a park-sponsored event that VMP hopes to mount in its First Fall of operation. Let us know if you're interested in volunteering.
